

HANOVER PRESTIGE

It's what's inside that matters.

As a condo owner, you don't have some of traditional risks associated with owning a house. Having neighbors and tenants around you can increase the chances of a loss out of your control. But you still have your belongings—and your lifestyle—to protect.

Hanover Prestige Condo offers coverage for possessions and liability, for condo and co-op owners, with coverage limits starting at \$250K. It's versatile, valuable "walls-in" protection for the place you call home.

Rest assured

If an incident leaves your condo uninhabitable, and you are forced to temporarily relocate, loss of use provides coverage for out-of-pocket living expenses while you await repairs.

Truly valuable coverage

Protect items like electronics, furniture, clothes and collectibles against damage and theft. \$10,000 in coverage with no per item limit. Plus for priceless valuables, such as fine art and jewelry, you can add optional coverage up to \$100k.

Watching out for water

More neighbors means an increased chance of water damage. Hanover Prestige Condo offers water backup coverage, starting at \$25,000, up to \$100,000.

Staying safe after a loss

Our loss mitigation expense coverage provides up to \$2,500 for the installation of safety devices such as burglar alarms, or temperature or water sensors, after a loss occurs.
