

Hanover Printers Advantage

Specialized protection for Printing businesses

The printing business has changed rapidly over the last few years. If you are like most printers, you've added services to stay competitive and many of your customers' specifications are digitally transmitted via the Internet. Consequently, these operational changes have produced new exposures to loss. The Hanover has kept up with the changes in the printing industry and made coverages to protect you from the loss potentials that could result from the new exposures. Hanover Printers Advantage is a unique program that offers superior protection for your bottom line at a price you can afford.

The Hanover team, which includes your local agent, is expert at designing insurance coverage especially for printers. Our underwriting, claims, and Risk Solutions professionals have many years of experience in providing service for your industry. In making sure your coverages are complete, cost-effective, and convenient, we've left nothing to chance. Beyond the core policy of our Hanover Printers Advantage program, we offer expanded options aimed at covering just about everything, including Equipment Breakdown, Printers' Errors and Omissions and Cost to Correct, Hanover Specialty Insurance Brokers (Site and Product Pollution Coverage), Private Company Management Liability, Employment Practices Liability, and more. We can expertly tailor your policy to meet your exact needs, and even offer convenient automated premium payments.
