The Hanover Insurance Group®

Hanover Healthcare Advantage

The Hanover's Allied Healthcare risk management resource center

At The Hanover, helping our Allied Healthcare clients create a safer environment for their patients and employees is a key priority. We know risk can be minimized and many losses can be prevented with the right information and tools. That's why we've developed the online Allied Healthcare risk management resource center. Our risk management resources were designed to help you improve care, prevent loss, minimize risk, and save money.

A 24/7 resource for risk management

Our easy-to-use risk management resource center is always there, whenever you need it. It features robust risk management tools, relevant content and resources, all presented logically in an intuitive navigational format. Here's some of what you'll find:

- Best practices for a wide range of facilities
- Articles on key topics impacting healthcare organizations
- Sample policies and procedures to reduce risk
- Risk solutions partner discounts
- Online training videos

Many of the tools may be downloaded and used within your facility immediately. The resource center is updated regularly to provide policyholders with information on emerging risks.

VALUABLE RESOURCES ARE JUST A CLICK AWAY

All of these tools and resources are aimed at enhancing the way your healthcare organization addresses its unique risks. Quickly implement effective and proven risk management strategies in more efficient and economical ways than ever before. Get immediate access to our wide range of risk management tools and information by visiting **hanover.com/healthcarerisk** to get started today.
